As you step inside you are greeted with a flowing design and a sense of space. Living areas include generous formal lounge and light filled casual living areas. The sleek and stylish polyurethane kitchen is finished with Caesarstone benchtops, stainless steel Ilve appliances including a 900mm gas cooktop and electric oven, walk in pantry and plenty of cupboard space.

The large living and dining area flows onto the alfresco and private yard which is a blank canvas for you to add your own touches, perfect for modern living and easy entertaining.
