

8 Ravenwood Street Gledswood Hills NSW

4 2 2

A showcase home is now available to be purchased in the popular Gledswood Hills Display Village. Set on a level, sunny block the property has a modern open-plan design with high-end inclusions that will ensure it remains an attractive property for years to come.

Developed as one of the key builders in the village, the stunning home offers a gourmet kitchen complete with walk-in pantry, stone benchtops and stainless steel appliances, family room, meals area, media room and theatre. Four bedrooms, the master with ensuite and walk-in robe and a fully landscaped yard are other aspects of this very enticing package.

As keen decorators know, it's not just about a great build but also excellent presentation and styling and the home comes complete with specially selected furniture and fittings to maximise its appeal.

A double garage, paved terrace off the master bedroom
