

15 Lords Boulevard North Kellyville NSW

4 2 2

In a quiet North Kellyville location is the opportunity of a lifetime to secure a brand new home that is constructed to the very highest of standards.

The stunning home boasts a modern kitchen that holds centre court in the large family living and dining area and includes polyurethane cabinetry, 40mm Caesarstone waterfall benchtops, stunning stainless steel Ilve appliances and quality floor tiles.

In the home's more private areas four bedrooms await with a walk-in robe and ensuite on offer in the master. All other bedrooms include built-in wardrobes and quality carpeting. Outside an alfresco area and quality landscaping will help set the home from other new properties in the area and help owners achieve that relaxed, lived in feel within record time.

If you're in the market for a new property you can't go past this quality development which will include a range of

Land Size : 521 sqm
