The location was too spacious to build the ordinary!! This captivating, semi-contemporary, full-brick family home is enhanced by the use of cedar, plenty of glass, brick features and raked ceilings. Set back from the road on an extremely private and quiet 4290msq block, it offers plenty of room for off street parking with space for caravan and boat, or both!! Spacious formal and casual living areas include a family/rumpus room with combustion stove and modern kitchen. Three bedrooms (with loads of potential to extend) plus a separate detached studio with air-conditioning and phone point, could easily be converted into an extra bedroom, an at-home office or a hobby room. Ensuite bathroom to master, back to base alarm system. An enormous covered entertaining area overlooks a large yard backing onto a bush reserve. The private sparkling in-ground solar heated pool boasts a waterfall, rock features and deck area. Includes a double garage and
