One of the most luxuriously appointed properties I have ever seen. Not only is it fitted with every inclusion imaginable, but the craftsman builder has ensured every minute detail is finished to perfection. Rarely is there such a successful marriage of elegance and total luxury. This charming residence has achieved that fine balance. The stunning, heated, salt water pool replete with water feature, swim jets, spa, frameless glass pool fence and rendered day bed with planter and storage box is just one of the spectacular features of this landmark property. Enjoy this magical area from the comfort of the electric heated, tiled pergola area. There's a stylish entry foyer with water feature, delightful formal living area with feature wall & wall mounted plasma 50" TV with built-in wall speakers, spacious family/rumpus room adjoining a gorgeous state of the art kitchen with Caesar stone benches & glass splashbacks, Ilve stainless steel appliances and numerous
