

3 St Mirren Avenue North Kellyville NSW

5 3 2

There's nothing quite like a brand-new home that gleams and shines across all its perfect, new surfaces. With everything in mint condition, it really is a privileged experience to be the first owners in a brand-new residence.

This double storey property in North Kellyville is a stand out first home and all the hard work will be done for new owners with driveways, landscaping and other "extras" completed before you move in. It's a perfect scenario for anyone looking to enjoy the convenience and modern amenities in popular North Kellyville.

With five bedrooms, the home has an abundance of space for the largest of families to live in comfort. In fact, this over 30sq property offers spacious formal and casual living areas and an outdoor entertaining zone as well as a remote controlled double garage with workshop area.
