

1 McMillian Circuit North Kellyville NSW

4 3 2

This property is extremely well located in one of Kellyville's most popular settings, and located near a range of great new and coming attractions including the North Kellyville Square shops, schools, public transport and parks.

Boasting generous living areas including a family room, meals area, upstairs media room, study (or 5th bedroom) and a large alfresco area. There's four bedrooms, each has a built-in robe and the downstairs master bedroom includes a walk-in robe and delightful ensuite with Caesarstone vanity.

The kitchen holds pride of place and is truly the heart of this very attractive home. It includes a stone topped breakfast bar and quality ILVE, stainless steel appliances including oven, gas cooktop, range hood and microwave.
