67 Eastern Road Quakers Hill NSW

3  2  3 

With a marvellous feeling of space, this delightful two storey home with modern flooring and recent paintwork invites relaxation and enjoyment.

Tucked away from the hustle and bustle, but a mere 900m stroll to the train station and shopping centre this incredibly well located home is near to schools (Quakers Hill Primary School catchment), the M7 Cycleway and local parks.

In a quiet, tree lined avenue on a level near 560sqm block with a popular North East aspect, this property is bound not to last. Young families will love the quiet street where bikes and skate boards can be ridden safely.

Beautiful natural light filters into the large rumpus room with combustion stove which overlooks the rear yard and there's a formal lounge room downstairs and a versatile upstairs
